

Patient Name : Nicholas Constantine**DOB / Gender** : 24-10-1990 / Male**Mobile No.** : 7850772519**Patient ID** : 192343**Passport No** : 122131130**Swab Sample Time** : 05/04/2023, 11:00 AM**Reporting Time** : 05/04/2023, 02:08 PM**Sample ID** :

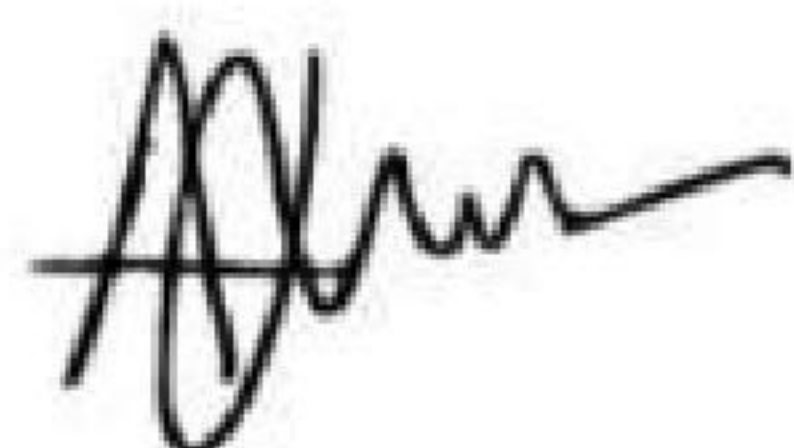

278933178

Clinical Comments**Result(s)****RT - PCR SARS CoV - 2 (Fit to Fly) - SAME DAY EXPRESS (4H)****RT - PCR SARS CoV - 2****NEGATIVE****Sample type: nasopharyngeal and throat swab**

This result was produced using a direct RT-PCR

Interpretation:The virus that causes Covid -19 is **NOT DETECTED**

If SARS-CoV-2 (COVID-19) RNA is NOT detected in the sample, there IS NO evidence of current SARS-CoV2 (COVID-19) infection at the time of testing. If you were self-isolating as an international arrival you may stop self-isolating

****END OF REPORT****
